Temiskaming Multiple Births —

Welcome to Canada's multiple-birth community!

As expectant or new parents of multiples you are about to embark on an interesting and educational journey that will at times challenge most people's experiences as parents of singleton children.

Temiskaming is in the enviable position of having an organization within our community recognized nationally as a group keen on making a difference; we are Temiskaming Multiple Births. Established almost 30 years ago to connect families with twins, triplets or more as a fellowship to mentor, support and inform others, Temiskaming Multiple Births has grown into a valuable resource for parents, grandparents, and more.

Our mission is to improve the quality of life for multiple-birth children and their families in Canada.

Yes, we host fun events for multiple-birth children and their siblings, but our focus is to provide support and educational materials to expectant and new parents of multiples. Visit us online at www.temiskamingmultiplebirths.com – You are not alone!

Please find enclosed an application form for completion as soon as possible. As a new member, Temiskaming Multiple Births will cover your first year fee of \$30, so simply fill in the form and return. This information will be shared with Multiple Birth Canada (MBC) to ensure you get regular national updates and complete access to a wide range of educational materials.

If you are a Facebook user, please send a request to our closed group. Once we have processed your membership you will be able to visit this page any time of day or night to post your questions and hear how others have faced similar challenges in their homes. We look forward to sharing your journey with you.

Respectfully,

Hollie McNair, TMB Outreach, 705-647-7247
